

### REMARKS

This application has been carefully reviewed in light of the Office Action dated October 18, 2007. In response to the Office Action's requirement for restriction, Applicants elect Group I Claims 1-17 drawn to an ultrasound probe without traverse.

In view of the foregoing, it is respectfully submitted that the currently-pending claims, as herein amended, clearly define statutory subject matter. Accordingly, allowance of the currently-pending claims is now respectfully submitted to be justified, and favorable consideration is earnestly solicited.

Respectfully submitted,
